AMC PONKAPOAG CAMP QUARTERLY NEWSLETTER

Hello Campers!

We've made it through most of a tough winter, and brighter days are just around the corner! In this issue, we're sharing exciting **upcoming events, job opportunities,** and **special musings** from the pond.

Sunny days are on the horizon, and we can't wait to welcome you back for another summer season of adventure. From sitting on the dock watching the clouds reflected in the pond to the sunset colors painting the sky. Get ready—it's going to be glorious!

Spring 2025 Work Parties

Make Time for Your Loved Ones,
Including Ponkapoag!

We are excited to announce four volunteer work parties to help clean and prepare our campsite for the summer season.

Tee, the Vice Chair of Facilities for Ponkapoag, will be sending out emails detailing the projects planned for each work party, and information on how you can contribute.

We look forward to seeing everyone there!

Musings

Musings from the team at AMC Ponkapoag Pond

Ponkapoag gives us so much!
It's been an amazing year here!

A new journey has begun. Let it be magical. Let it unfold. Let yourself begin anew. Pack your bags. Choose carefully what you bring. Beginnings can be delicate or explosive. Beginnings hold the promise of new lessons to be learned and new territory to be explored.

DECEMBER 2024

Intentions are extremely powerful and blessedly simple because they break things down into bite-size task, keep us focused, enable us to show up as our best selves, and you know, make things kinda fun. It's December but yet still beyond beautiful out.

Musings

Musings from the team at AMC Ponkapoag Pond

Study nature's ways. Learn her rhythms, her seasons, her cycles. See how she bursts with green and bright colors. Spring is less than one week away! There are MANY signs of spring happening around ponkie. Enjoy the small things in life. Come replenish yourself!

MARCH 2024

Don't tell yourself you have no energy. You are energy. Learn to energize yourself. Get up. Move around. Play some invigorating music. Get out and walk.

Just because it's September and school has started, it doesn't mean summer is over ! Summer is still going on in our beloved Ponkapoag.
